

Agenda: Workshop Women in STEM: “Nanotechnology and Green Energy”

Date: 2 October 2025, **from** 10am to 5pm

Place: Tirana, Albania (same as conference NanoBalkan 2025)

10-10:15 am: Welcoming Speech and Introduction of the Workshop by Dr. Marinela Barci, Principal Engineer at Huawei R&D, Belgium and **Albanian Women In Nanotechnology** - AWIN Founder

10:15-10:30 am: NanoAlb and its activity related to STEM by Prof. Dr., Majlinda Vasjari, University of Tirana, Albania, NanoAlb coordinator

10:30-10:45 am: AWIN and its activity related to Women and Young Generation in STEM by Dr. Gjylije Hoti, Research Technologist, University of Turin, Italy and AWIN Co-coordinator

10:45-11:15 am: Green Energy and Sustainability, Moderator Asoc. Prof. Dr. Mimoza Bashollari, University of Pristina, Kosova, Group Leader – NanoAlb

- Prof. Dr. Majlinda Daci, Women Kosovo Mining and Energy, Kosovo
- Msc. Edita Kala, Sustainability and Carbon Accounting Analyst, Intersnack Group, Germany

11:15-11:25am: Break

- **11:25-12:45 am: Special guests, Moderator** Dr. Gylxhane Kastrati, University of Pardubice, Pardubice, Czech Republic (**to confirm**)
- Acad. Prof. Dr. Arben Merkoci, Head of NanoAlb, Albania and INSC, Spain
- Acad. Prof. Dr. Anila Paparisto, University of Tirana and Albanian Academy of Science
- **Dr. Visar Vela, Quality Control Manager at CSCQ HUG and AlbPhD Circle founder, Switzerland**
- Dr. Ada Tushe, Postdoctoral researcher at IRCCS, Italy
- Dr. Bajramshahe Shkodra, Postdoctoral Researcher, Institute of Physics Universität der Bundeswehr München, Germany

12:45- 13:45 pm: Lunch Break

13:45- 14:30 pm: Green Energy and Academia, Moderator Prof. Dr., Valbona Aliko, University of Tirana, Albania, Coordinator of Quartz – NanoAlb

- Acad. Prof. Dr. Magda Cara, Agriculture University of Tirana, Albanian Academy of Science
- Dr. Abresha Muriqi, Material Modelling Scientist, Umicore, Belgium

14:30- 15:15 pm: Green Energy and Startup/Industry, Moderator Dr. sc Albana Veseli, University of Prishtina “Hasan Prishtina”, Kosova, Group Leader, NanoAlb, Academy of Science of Albania

- P.Eng.PMP, Joli Delimeta, Founder and Administator at Soloron, Albania

- Dr. Rexhina Saraci, Co- founder of FeFuel Solutions, Italy
- Kristian Sevdari, PhD, E-mobility, Renewable Energy, DTU, Denmark

15:15- 15:25 pm: Break

15:25- 16:00 pm: Panel discussion” Nanotechnology and Green Energy in Albania and the great possibilities it offers to Women in STEM”, Moderator

Prof. Dr. Kledi Xhaxhiu, University of Tirana, Co-coordinator of NanoAlb, Albania

16:00- 16:10 pm: Networking and Final Remarks, Moderator Dr. Marinela Barci,
Principal Engineer at Huawei R&D, Belgium and AWIN Founder

Organizers: AWIN, NanoAlb, Phantom Organization, Albanian Academy of Science, University of Tirana, Albania, University of Prishtina, Kosovo, ICN2 Spain
